MEMBERS SERVICES'S REPORT - SEASON 2025/2026 – Nicole Lennon

It has been a pleasure to serve on the committee in my second season with CTC and welcome many new members who have been well supported by the role models that are shaping our club. Off the back of our 2025 club champs win the energy in the club has really been electric. Members have forged many and various challenging pathways whether it be confidence clipping in and riding the bike on road, to ocean swimming and tackling a wetsuit, showing up to Wednesday runs no matter the weather and racing with heart.

I appreciate the support and patience I have received from the committee and members as I continue to muddle my way through the procedures and systems and Aus Tri website.

N1 – Definition of young adult is ages 20-24

N2 – 2022 and 2023 total does not currently reconcile to how 2024 is calculated – generally based on review of the data, it is because there are members that could be categorised in multiple age categories in previous years. This is an FYI and does not impact total member number reporting

N3 – The total number of members are calculated by adding Adult, young adult and juniors – for 2023-2024 duplicates have been removed. This number includes trial members

N4 – This is per the CTC website and cross-matched to active membership reports with status listed below – only active members were counted:

Membership Engagement and Promotion

The committee's focus was maintained throughout the year on member engagement. Activities and events included:

1. Club member profiles that were shared on our socials,
2. Creation of the Belong bike pack which has been a huge success.
3. Activating the CTC community through our What's App group

4. Stu Ford memorial race, Club Champs, Richie Walker, Husky, Wollongong, Western Sydney where our club tent made for homebase for members
5. Two x Macquarie Pass rides both of which required resilience and helped forge stronger bonds between those that went,
6. Club champs race and pre and post-race socialising.

While I will be stepping away from this role next season, I look forward to continuing to serve the club in any capacity I can,

Nicole Lennon
