

Nomination of CTC Life Membership – Adam Hummerston (29/4/26)

I'm nominating Adam Hummerston for Cronulla Triathlon Club life membership per the constitution "In considering the special service to the Club" as "A Member who has performed exceptional or exemplary voluntary (unpaid) service for the Club and/or the Sport for a period of no less than ten (10) years".

This nomination is both qualitative and quantifiable per the attached document from our archives officer Dave Allen.

It's fair to say Adam typifies what is great about the Cronulla Triathlon club and the standards we all aspire to achieve in our quest to Train, Race and most importantly Belong.

He always puts the club's needs ahead of his own, regularly attending club events every week of every year, and quite often volunteering and being "the face of the club", welcoming others and helping them feel welcome and integrated into club life.

Since becoming a member over a decade ago he has given so much to the club (both time and energy), in a volunteer capacity not limited by, but illustrated by his years in both support roles and committee roles since 2014.

- 3 Years Club President
- 3 Years as Vice President
- 3 Years other committee positions
- 3 more years in multiple support roles
 - 2 Years as a club coach inclusive of running FAST and Monday night bike skills

In recent times Adam has also won the Club person of the year award, the Cook Community Award for services to sport, and the Triathlon NSW 2025 Volunteer of the year award. It's fair to say that hasn't stopped Adam from devoting his time to the club, and if possible, he would likely receive these awards and accolades on repeat.

As mentioned above that doesn't stop Adam from competing at the highest levels, and when he isn't volunteering and unselfishly giving up his time, his race performances at multisport world championships and other races are at the level we can all be proud of.

Whilst we are nominating Adam for the life membership, we are confident that there's a queue of other members that would be only to please to do the same and give Adam the recognition his exemplary service to the club deserves.

Dual Nominations.

Adam Stroud – Current Club President since 2025

Lyn Atkin – Former President 2023-24

Seconded by Luke Targett current Vice President and Matt Garvey current Club Captain
